Directions to St. Ann's Gate, Salisbury

St. Ann's Gate Architects' office is above the arch of St. Ann's Gate, through the pedestrian entrance into the Cathedral Close, off St. John's Street/Exeter Street. The Close is only a 10-15 minute walk from Salisbury Railway station.

The Office is accessed via the brick porch, with a brass name plate on it, inside the Close. Enter through the wrought iron gate where there is a reception intercom on the wall on the right hand side.

We would encourage the use of public transport whenever possible; bikes can even be parked in our porch!

However, if coming by car, the best places to park are either in the New Street multi-storey or Brown Street car parks, (north of the office on the map) or in the Guilder Lane multi-storey, access straight off the duel carriage way (Churchill Way East).
